Tribute To Dr. Shimizu

By T. UMEZUKI

THE SUDDEN death of the Reverend Doctor Kosaburo Shimizu is a great shock and loss to not only the Japanese United Church but the Japanese community as a whole.

Here was a man who dedicated his whole life to the cultivation and advancement of the spiritual life of Japanese Canadians. For his part, it may be better said that he served all his life, until the last moment, in conveying the messages of God to the people and seeking the realization of His words on earth.

He was a truely valuable man and we most sincerely condole his death.

Dr. Shimizu was always straightforward and sincere. He was too honest a man to garnish his words and always spoke directly and plainly. For this reason some were critical of him, but he never paid much attention to them. Those who heard his sermons or talked to him as a personal friend will remember forever, the wisdom and comfort of his words.

Perhaps it was a day or so after the recent elections that Dr. Shimizu dropped into our office. We chatted for a little while about the results of the election and other interests. It was the last time I was to hear his voice.

On that day I almost said something to him which I had on my mind for sometime concerning his weekly publication, "The Shepard's Call."

I was going to say, "In spite of the fact I seldom go to church I always read your articles in the Shepard's Call with deep interest. I wonder if you have ever thought of editing those articles for publication in the form of a book."

For some reason or another, perhaps the thought was lost in the course of our conversation, I did not get around to asking him about this. I missed my opportunity to encourage him about such a book, but I hope that someone in his congregation might have had the same idea and will now go about it.

In reminiscing the past 40 years that I have known Dr. Shimizu many memories come to my mind. When I was still young and Dr. Shimizu was a student at the University of British Columbia, he served as the principal of the Powell Street United Church English Night School and it was from him that I learned the language.

Then the war broke out and the hectic days of evacuation and resettlement followed. One summer, during the war years, I travelled to Eastern Canada from Kaslo where The New Canadian was located at that time, to observe the conditions of the "new world" to which the Japanese Canadians had been relocated.

Dr. Shimizu who had moved just one step ahead of The New Canadian, was encouraging dispersed JC families all over the province of Ontario. He took me to almost every part of Southern Ontario, even as far as Leamington, the southernmost part of the province, so that I might get first-hand account of the situa-

held at Tokyo's Isetan Department Store sponsored by the Yomiuri Shimbun and the Ministry of Education, Kimiko Muraoka Koyanagi, wife of Canadian architect Jim Koyanagi won second prize out of a total entry of 250 exhibits from throughout Japan.

A third generation doll-maker, Kimiko is the daughter of the well-known Muraoka doll-masing family whose ancestry is traced to the ukiyoe woodprint artist Toyokuni Utagawa.

Coming from a family where her brothers and sisters are all doll-makers and artists, she has won several awards in both traditional and contemporary doll exhibits. Her brother Takashi was awarded last year first prize in the Dento Kogei or All-Japan Traditional Craft Exhibition where entries are limited only by invitation to recognized doll-makers.

Kimiko's work has been widely published in Japan, in the "Gekkan Ningyo," a monthly doll-making magazine; in the "Ondorisha" or the magazine "Japanese Dolls" where 45 pages of her notes and photographs are shown explaining the various processes involved in doll-making, from the initial stage of making the face, carving the body, grooming the hair in various styles and on to the final stage of dressing the doll; and, in a recent publication in English "Japanese Dolls", her "Oyama Ningyo" doll in a traditional Kabuki costume is illustrated on the cover.

This talented doll-maker hopes some day she can display her doll-making skill in Canada when her architect-husband who has worked the past six years in Japan eventually returns to his home in Hamilton, Ontario.

Filming of "The Sweet and The Bitter" Ends

VANCOUVER.—With filming of "The Sweet and the Bitter," first feature-length movie made by Commonwealth Film Productions Limited, completed, the company began immediately to seek locations here for its second.

"All of us are very proud of the fact that we've hit the schedule on the nose," said director-producer James Clavell. A crew of 60 persons worked a 28-day filming period.

The film stars Paul Richards and Yoko Tani, tells a story of a Japanese girl's return to her place of birth 20 years after the wartime internment of her parents in B.C.

The company's second film, "No Hands on the Clock," writ-

Ikeda Seeks Own Party Re-Election

Party Takes Convincing Win In Japanese Election

TOKYO.—Fortified by a convincing victory in the House of Councilors election, Japan's ruling Liberal Democratic Party is turning its attention to another election—for the party presidency, voting for the post, now held and expected to be retained by Hayato Ikeda, is scheduled for July 14.

There was little in the results of the July 1 upper-house election that could be called disconcerting to either the Liberal Democratic Party or to Mr. Ikeda personally.

(With all but 7 of the 127 races settled, the Liberal Democrats had 68 seats, the Socialists 33, while a Buddhist group deposed the moderate Democratic Socialists as the House of Councilor's third force, the Associated Press reported. The Communists put up 47 candidates and won 3, including their party president, Sanzo Nozaka.)

Chasm Deepened

The most distressing fact perhaps was the poor showing of the middle-road Democratic Socialists, which leaves the chasm between political Left and Right more pronounced than before.

With the election results as a bolstering vote of confidence, there is little prospect that Mr. Ikeda will be defeated for the party presidency. Already politicians are scurrying about in the grab for Cabinet seats. A new Cabinet is expected to be announced by July 20.

The resignation from the Ikeda Cabinet of Aiichiro Fujiyama, Chief of the Economic Planning Agency, has given some spice to the party presidential election and may make it more than a mere roll call.

Mr. Fujiyama, who resigned over differences with Mr. Ikeda's economic policy, has not formally announced his intention to seek the party presidency, but many of his associates have said he will.

A former Foreign Minister in the Cabinet of former Premier Nobusuke Kishi, Mr. Fujiyama realizes he has little hope of defeating Mr. Ikeda but figures that by opposing him and stating his own economic policies, his political position will be enhanced for the future if his policies eventually prove to be correct.

Mr. Fujiyama has definite ambitions in the direction of the

Sansei Boy Wins Award At Givins Public School

TORONTO.—13-year-old, Terrance Irie of 343 Manning St., was recently named winner of the James E. Hunnisett Memorial Trophy for 1962 at Givens Senior Public School.

The general Proficiency and Citizenship award and an accompanying $25 is presented annually to the student who not only excells in sports, but also attains high acedemic standing throughout the school year.

The late Mr. Hunnisett, to whom the trophy is amemorial, was a one-time principal of the school who believed in not only building the mind but also the body. During his years as principal and in the years that have followed Givens Senior Public School has captured many of the city's Public School athletic laurels.

Terrance who graduated from grade 8 this year will attend Central Technical School in September. During the past year he played hockey and basketball as well as achieving high marks in class.

Two U of T Students To Study Japanese In U. S.

TORONTO.—Two students at thhe University of Toronto have been granted J. M. Marbois scholarships of five hundred dollars each to continue their study of East Asian history and languages in the United States this summer.

One student, Miss Atsuko Kamitakahara, who stood third in first-class honors in the second year of the Modern History course is now studying intensive Japanese at Stanford University, Stanford, California. Stanford graciously awarded her a half-tuition grant, and the Shell Oil Company of Canada, and an individual donor subscribed the amount for the de Marbois scholarship awarded to her.

The other student Mr. Peter Mitchell who graduated from Modern History in 1961 will study intensive elementary Japanese at the University of Michigan at Ann Arbor this summer.

Last summer four undergraduates successfully completed their study of East Asian history and languages, three at the University of California at Berkeley, and one at the University of Michigan. Two of these students studied Japanese and one of them, who has just graduated from the U of T, has won a Fellowship at the Centre of Japanese Studies at the University of Michigan.

Nisei Chef To Head Kitchen Of New Restaurant

KAMLOOPS, B.C. — Well-known Nisei chef Sam Kurisu will be in charge of the stainless steel kitchen of British Columbia's newest and largest restaurant which opened its doors to the public last week.

Mr. Kurisu acquired his culinary knowledge in Toronto before coming to Kamloops in 1947.

In Kamloops he was the first head chef at the Avenue Restau-

capacity at the Plaza dining room.

Built at a cost of more than $100,000 in the 400 block Victoria St. Kamloops, the utramodern premises of the Highlander features a banquet room, a dining lounge and restaurant with a total capacity for 355 persons.

The very latest in kitchen equipment will make it possible for Mr. Kurisu to prepare meal-

Book Explodes Hirohito Myths

TOKYO.—A Japanese court chamberlain who has served Emperor Hirohito for 30 years has exploded a number of myths about the Emperor.

Among them are the beliefs by some Japanese that the Emperor reads only clippings and never newspapers, eats nothing but cold food, and speaks a "court language" incomprehensible to commoners.

These myths are destroyed in a book about the Emperor written by Sukemasa Irie, a court chamberlain whose long service to the Emperor included the task of escorting him from the Imperial Palace when he recorded the edict ending the Pacific war.

Until the end of World War II, the Emperor was a god to many Japanese. His way of life was totally unknown to the masses.

After the war, he "discarded his divinity" and traveled to almost every part of the country to meet the people. But his private life remained a closed book to the curious.

Mr. Irie now has thrown some light on it.

He describes Hirohito as a humble, unselfish, and sympathetic man.

Mr. Irie says the question which he is most frequently asked is: "How has the Emperor changed since the war?"

The Emperor himself has changed little, he says, and continues to lie simply.

The Emperor, Mr. Irie continues, has never compared his present life with the life he had to live before the war.

"The Emperor, who had to be driven through a 'dead town,' with a strict police cordon before the war, now apparently enjoys his outings among the cheering crowds," he writes, "but he never says that he prefers it this way."

Kamloops Nisei Nurse Patches Film Stars

KAMLOOPS, B.C.—Nurse Yoshi Ikenouye of Kelowna had the enviable job of administering to the aches and pains of the actors and crew of the Commonwealth Film Production, "The Sweet and The Bitter", which ended filming in Vancouver last week.

She didn't have to treat anything more serious than slivers and strained joints such as the twisted knee she had to tape for one of the leading actors—Dale Ishimoto—who travelled from Hollywood to play the powerful role of a Japanese Canadian fisherman haunted by the past.

Dates and Doings

O-Bon Service At Buddhist Church On July 15

TORONTO.—The traditional O-Bon Service will be held at the Toronto Buddhist Church on July 15 from 11:00 A.M.

The Rev. Newton Ishiura will recall the O-Bon story which is heart warming, as Mogallana, a disciple of Shakyamuni Buddha searches for the "salvation" of his mother. The meaning of universality is realized as the Great Teacher kindly instructs all mankind on this subject.

The members of the Buddhist Church are visiting various cemeteries to place flowers and incense on July 14th.

There will also be a mid-summer festival of lanterns, known as Bon Odori at the Dufferin Plaza on July 14th from 8:00P.M. The public is cordially invited to participate in the dance.

The Club's annual picnic will be held on Sunday, July 15th at Paulynne Park. Members who are planning to attend are asked to notify the convenors, Mrs. Grace Kurita or Mrs. Kay Sakaguchi.

Following the business meeting, a social evening of whist with the Central Group in charge was enjoyed by the members.

Girl Seeks Sponsor

TORONTO.—The lovely young lady pictured above has written to The New Canadian asking us to find a sponsor for her in order that she might come to Canada to study.

At present this pretty 25-year-old works as an assistant television producer in Japan with dreams of some day becoming a producer herself. She hopes to introduce foreign TV dramas into Japan and would, therefore, like to study the living habits of Canadians.

She states in her letter that she would like to find someone who will sponsor her and let her work for no compensation. She wishes to stay in Canada for three months to a year studying TV dramas in her spare time.

Anyone interested in assisting this girl is asked to phone or write The New Canadian, for further details.

premiership and has the funds to finance a long-range drive for the office. At present, however, he does not have the factional support within the Liberal Democratic Party to win the party presidency, which is the door to the premiership.

Another Possibility

Another name that has been mentioned as a possible contestant for the party presidency is Eisaku Sato, Minister of International Trade and Industry and brother of former Premier Kishi. He is widely regarded as the foremost candidate for Premier after Mr. Ikeda.

Many regard Mr. Fujiyama's move as more of an attempt to establish himself as a leading candidate to follow Mr. Ikeda at some future date rather than immediately.

似た顔

大變なことになりやがつた！月江さんは、もしかすると、雪姫さまの血縁かも知れねえ。

そうだつたら、自分の戀はどうなるのだろう？浪人屋敷の小間使いだからこそ戯るか戯らねか、いずれはあたつてくだける了簡にもなつたのだ。

うかつにも、いままで、月江が雪姫と似ていると氣がつかなかつたのは、雪姫が將軍御落胤であるという、雲の上から降りて來たお人として、自分の戀する娘などと比較するさえもつたいないという卑下が意識下で働いたからに相違ない。

また、月江の念珠と雪姫からもらつた念珠を見くらべた折にも、その不思議さから、二人の身の上をむすびつけてみる氣を起さなかつたのは、やはり、御落胤と小間使いの差のあまりの違さ故であつたろう。庄吉は、その時は、ただ、偶然の一致に目を瞠つただけであつたのだ。

しかし、いまとなつてみれば——。

雪姫の御落胤生活を、かげから監視したのは小俣堂十郎であり、月江はその人物の小間使いであつたのだ[illegible]をはきむことが出來る。

——こん畜生！他人の空似つてことがあらア、小俣堂十郎が、面倒みていたからこそ、同じ念珠を、ごつちへもくれるつてことがあるじやねえか。庄吉、よけいな想像はやめにしようぜ。

庄吉は、自分をしかりつけると、すたすたと、わが家めざして、いそいだ。

朱櫻の人

澄みきつた日本晴れだつた。

隅田川の流れは、その澄んだ空と色と、河岸の家並と上り下りの船の影を映して美しい。

石崖には、幾人かの釣人が、のんびりとうずくまつていた。

時折、うしろの道を、明るい下駄の音をたてて、近くの北街の女たちが行き過ぎるほかは、このあたりはまつたく静かな場所であつた。だから、釣人たちは、ここをえらんでいるのであつた。

その釣人の中に、梅津長門が、交つていた。相變らずの黒羽二重の着流しで、その秀麗な横顔も、四年前と變りはない。顔が、日焼けているのは、文字通り青天白日の身となつて、釣を愉しんでいるからであろう。

「どうも、いかんな。今日は[illegible]

A T-D CURRENT ACCOUNT

カレント・アカウント（普通口座）のよりよい名稱はコマーシャル・アカウント（商業口座）といえるでしよう。なぜなら普通口座はどんな商業でもこれを使つているからであります。

實際には普通口座はその昔 小切手を振出すのにこれ以外の口座はなかつたものです。銀行のお客は日々の商取引でこれを使用したのでカレント・アカウントと稱され 今日にいたつているわけです。

普通口座と他の種類の根本的な相違はこうなのです。普通口座には利息はつかないが、毎月末にはキャンセル小切手が手許に送られてくるものなのです。(個人小切手口座と同様で これは個人のために 普通口座は商業のためにとなるわけです)。戻つてくる小切手によつて支拂いをたしかめると共に支出額を計算することができます。

銀行口座のうち この普通口座はいわば馬車的役割をするもので 預金しては引き出し 現金 小切手も含くめて一緒に預金すると同時に 小切手をふり出すというように よく活動する口座なのです。したがつて銀行がちようど金を集めたり 支拂つたりする役目なのです。

銀行にしてみれば この口座は最も仕事が多くかかるものだから 當然利息がつかないのです。實際上 サービス・チャージをかける場合さえあるのです。

お客がどんな目的で普通口座を使用しようとも 銀行にとつては これは切りはなせない部分であり むしろ この口座があればこそ 現金より小切手による取引が行なわれる理由の一つなのであります。

トロント・ドミニオン銀行がサービスする一つである普通口座についてより詳細を知りたい方は 最寄りの支店長と相談して下さい。よろこんで納得いくよう說明申し上げるでしよう。

〃あねさん女房〃ふえる？

十五年後に男が百万人多くなる

【東京發】一九七五年ごろからは適齢期の男子がお嫁さんの不足に悩み、このため〃あねさん女房〃がふえるだろう――と厚生省は男女年齢別推計人口をもとに〃結婚未來圖〃をこの程まとめた。同省の調査によると、さる一九六〇年中の初婚平均年齢は男子二十七・二歳、女子二十四・四歳で年齢差は二・八歳となつている。そこで將來の適齢期を男子二十五―二十九歳、女子二十―二十四歳の間に落着くとみると、男女の適齢人口は、一九七五年には男子五五二万に對して、女子は四四三万人。男子は女子より一〇九万人も多いことになる。この傾向はしばらく續き、一九八五年には一八万人、一九九〇年には一七万人づつやはり男子が多いと推計されている。そして一九九五年になつてこの傾向が逆轉し、女子が十一万人多くなるという。

△日本では、男子の戰死者を多く出したシワ寄せで、戰中、戰後のしばらくは女子適齢者が配偶者不足に悩んでいた。戰後は男女の出生率はほぼ同じだが、適齢期の年齢差からこんどは男子が悩まされる見通しとなるわけだ。しかし、この結果、結婚數が激減するとは考えられないので、男女の年齢差が今より縮まり男子よりお嫁さんが年上の〃あねさん女房〃が當然ふえることになりそうだという。

參議院選擧の結果 革新三分の一割る

自民黨は議席ふやし百四十二

【東京時事通信】參議院選擧の結果、新分野がきまったこれによると自民黨が改選前の議席を五つ上回って百四十二となったのをはじめ社會黨 共産黨が各一を増して六十六、四となり、無所屬が八議席も進出したのが目立つ。無所屬ではとくに創價學會が立候補者九名を全員當選させ、非改選議員と合わせて十五議席を占め參院の第三勢力に進出した。これに反して中間勢力である民社、同志會は大きく後退し、民社は五議席を失って十一議席となり、同志會も四議席を失って七議席となったが、社會、民社、共産の革新三勢力全体としても民社の凋落で憲法改正阻止のための三分の一勢力を割ったことが注目される

總裁に立候補

【東京時事通信】池田首相はテレビ對談で「選擧に勝たしていただいた以上國民の信頼にこたえる意味で來るべき總裁公選に立候補する。これは國民に對する責務である」と今週語った。

投票率よい

六八・二二%

朝日新聞が"素粒子"らんは參院選擧について次の如き寸評をかかげている。

△低調だ、無關心だといわれた參院選の投票率は六八・二二%と意外にいい。

△政治運動の組織化、團体化が進み、その動員が物をいったとも、原因の一つであろう。

△民社黨のちょう落は痛ましいほど。チームカラーの判然とせぬのが、やはり人氣とならぬ。

△願いものへの「判官びいき」ではなく「寄らば大樹の陰」の心理が動くのではないか。

△藤山經企長官、辭表。政局の「七月人事」ゲームの第一球。ストライクかどうかは見る人による。

【ビクトリア發】今週、オ州コーンウォール市で、來る十六日行われる補欠選擧のため應援辯士として保守候補のため演説したビーズ通産大臣は「カナダ弗の値下げを余儀なくされたのはビーシー州のベネット首相がビーシー電氣を接收したからである」と述べたことに對し、ベネット首相は「ビーズ大臣は經濟のことは全く無智であることをバクロした。彼はさっさと辭任すべきである。保守黨政府になってから、政府のやりくりができず、赤字をふやすばかりだ。これでは弗が下がるのは當然である」と應酬した。

十勝岳に二度の爆發

あがる赤黒い火柱！

北海道の十勝岳大爆發のもようを朝日新聞記者は次のように報じている。

△美瑛役場には登山口の白金温泉からの電話がジャンジャン鳴りどおし。「死者が出た」負傷者が町立病院についた。應急手當のほうたい、焼けちぢれ眞白になった頭髪が爆發のあとを物語る。家族と無事を喜び合うそばでは歸らない人の奧さんたちが泣きくずれる。「人のことはかまっていられなかった」と助かった一人。

△役場にはすぐに「十勝岳爆發對策本部」が設けられやがて白金温泉にいた觀光客や温泉旅館のお手傳いさんたちが着のみ着のままで山を降りてきた。たき出しが始まり、ごったがえす役場消防團員や町の關係者が遺体を收容するため逆に白金に向った。

△ところが三時ちょっと前二回目の爆發。こんどは役場からも見える。夜明け前の空に赤黒い火柱。白い煙がどんどんあがる。だが音も聞えず地鳴りもしない。なおさら不氣味だ。負傷者たちも病院の窓から山を見る。その時白金連絡がプッツリとだえた「泥流でやられたか――」と佐藤町長が息をのんだ。でも百五十人は無事避難してきた。

△わずかながらほっとした空氣。やがて朝、雲一つない快晴が皮肉だ。眞綿のような白い煙だけが殘雪を谷間に殘す十勝連峰の上にのしかかるようだ。一晩中街頭に立ちつくした町民たちはようやく家にはいった。しかし「三十六年前の大爆發の時のようにもし泥流が流れ出してきたら――」と住民たちの不安は去っていない。

九月の新議會では― 政府が強力野黨に直面

【オタワ發】九月に開かれる新議會で政府與黨は今までにない強力な反對勢力を前に苦難をなめさせられることである。進歩保守黨は野黨各派を合わせると百四十八對百十六、上院では六四對二十六でこれまた劣勢でたとえ欠員九名全部を保守黨系人物で埋めてもどうしようもない狀態である。

△下院において自由黨に加担して政府不信任案を支持すれば、政府はもろくも轉覆するわけであるが、總選擧を當分のばすために、野黨がともかく政府案を支持して通過させても、上院で絶對多數の自由上議からたかれることを免かれないしかし自由上議リーダーは下院の微妙なる勢力分野を考慮して、臨時應變な出方を取るだろうとみられている。

水路通航船のボイコットへ

【オタワ發】カナダ勞働會議に加盟している鐵道、運輸及び一般勞働組合は、敵對的存在である海員國際勞組員によって運航される船舶のセント・ローレンス水路およびウエランド運河通航をボイコットする手筈をとり、今週からそれを實行に移したことにより、水路航行船舶の三分の二は立往生の憂目になるとしてオタワ政府當局は事態を重要視している。

【セント・キャサリンズ發】ウエランド運河閘門にはたらくカナダ勞働會議にぞくする勞組員は、海員國際勞組員を乘組とする一切の船舶の通航を阻止、閘門をあけることを拒否しているので、五日以後は航行不能となり、海員組合がのっている船舶は立往生している。

英國醫師を空輸

サ州がまず五、六十名を呼ぶ

【レジャイナ發】サスカチワン州のドクターのストは一週間をすごしたが、いまのところ政府と醫師協會との間の歩み寄りは全くみられず、州民が板ばさみで苦惱をつづけている。しかし州政府では事態をこのまま放置しておくことは州民の保健上許されないとし、英國から醫師の大量空輸の計畫をアレンジしたと今週發表今後二週間以内に五十名ないし六十名のドクターが英國からサ州に來ることになっている。一方、サ州内ではドクターのストにふんがいした州民のある者が、ドクターに脅迫狀を送ったことがわかり、警察當局では萬一を心配してドクターの住宅や身邊警護にあたっているといわれる。

【東京發】梅雨シーズンに入った日本では各地に降雨による被害が續出し、三日の調べでは死者七名、行方不明一名となっていたが、四日にいたり九州中央地區に降雨八インチないし十インチあり、死者十九名、負傷十六名、行方不明八名を出した。

米海兵隊一千

ラオスから撤兵

【バンコック發】米國防省は先週、ラオス・タイ國境地帶の緊張が全般的に緩和したため、さきにタイ國に派遣した海兵隊のうち一千名からなる部隊を撤退させることになったと發表した。しかし他の千二百名からなる海兵部隊と三千名からなる陸軍部隊は引きつづき殘留する。國防省の發表によると、情勢次第では近い將來にさらに多くの海兵隊が撤退する可能性がある。第七艦隊司令官シュイ中將は同海兵隊がフィリピン、沖縄およびグアム島の第七艦隊とふたたび合流することになると述べている。

日本の頭腦センター

富士山ろくに開發計画

【東京發】石原憲治（日本都市計畫學會長）高山英華（東大教授）横山光雄（同）磯村英一（都立大教授）の四氏は昨年秋から四人委員會をつくり、富士山ろくの開發方法について現地を調査構想を練っていたが、このほど原案がまとまったので二十八日午後、東京・日比谷の市政會館に關係者を招き、その内容を發表した。

△中央自動車道、東海道自動車道の建設計畫によって注目されてきた富士山ろく一帶を「富士圏」とし首都圏整備計畫と同樣に、國の援助で綜合的な開發を行なうというものだが、實現の可能性などいろいろ論議のマトになりそうだ。

△中央、東海道の兩幹線道路ができると、東京から自動車で一時間という距離になる富士山麓地帶の私有地は土地、觀光業者などにねらわれはじめており、地元でもそれぞれの立場から利用計畫をたてはじめている。首都圏整備委員會でも山梨縣と協力、現在、山ろくの開發計畫案をまとめているが、四人委員會では首都圏整備委が行なっている東京の人口、産業の分散のための山ろく開發という趣旨を一歩前進し、世界にも例がない文化的、政治的に日本の"頭腦"となる新都市の配置、諸センターの建設を圖ろうというもので"頭腦センター"の建設と呼んでいる。同委ではさらに調査を續け構想を手直ししたいといっている。

Newcombe Spark Chunichi Dragons As First Baseman

NAGOYA, Japan. — "Newcombe may be just the spark the Dragons need," wrote a baseball reporter.

"Newk may well be considered as playing the role of a stimulant for his team," said a radio commentator.

"Newk already has had a good effect on my team's pitching and batting," declared Dragon manager Takami Nonin.

This is sweet music for Don Newcombe, former Brooklyn Dodger pitching star, making an auspicious start for the Chunichi Dragons of Japan's Central League. He's enjoying every note.

"I'm 100 per cent satisfied," he said recently.

"The club has done more than we anticipated. My wife has been provided with everything from diaper pins to an electric washer-dryer combination."

"Newk," as he's known here, in three games has hit a homer (he says it was at least 450 feet), a double and two singles in 11 official at-bats. He's played errorless ball at first base, an unfamiliar position.

He classified Japanese baseball as "near triple A." and, is particularly happy over not coming here as a pitcher, although he may be used as one later in the season.

Japanese pitchers, if they're good, work nearly every day. Newcombe knows about too much work. He won 27 and lost 7 in 1956 and was the National League's most valuable player. But that was his last effective season.

As a rookie last year, Dragon right-hander Hiroshi Gondo compiled a 35-19 record as the team finished second.

He's won but nine games this season and complains of a sore arm.

"That's understandable," Newcombe said, "But I don't think it is right for me to say anything. I'm being paid (an estimated $24,000) to give advice when asked."

Newcombe, 36, said he's been working with the pitchers, teaching them mainly how to throw sliders and curves.

"Their control is amazing," he said, "But they are not overpowering."

"We've a good ball club," Newcombe said, "A lot of hustle and pretty good power. Larry Doby (two-time American League batting champ) arrived last week and he'll help."

The differences between Japanese and major league baseball are many, Newcombe feels.

The Japanese as yet do not have the finesse, the pickoff, cut-off plays. They do not run much, and this he likes. "I never did care for sliding," he said.

Battle For First Place Tomorrow

Nikko, Main Win to Set Stage for Big Game

TORONTO.—Main Auto Body and Nikko Gardens continued on their winning ways last Sunday to set the stage for a big four-point game this week at Ted Reeve Park.

In last week's Nisei Sunday Baseball League action at Christie Pits league-leading Main Auto edged Yamada Studio 7-6, while out at Ted Reeve, Nikko Gardens trounced Japan Centre 14-2.

Mike Sakura continued to swing his hot bat for Main as he batted 2 for 3 and drew a walk to raise his league-leading average to an even .600. Dick Tanaka also picked up two hits, while Gary Watte, Sab Seki, Jack Ashizawa and Tosh Yamashita gathered one hit apiece.

For the hapless Photographers, Ray Tani was the pace-setter at the plate with two hits including a double. George Yonemura doubled and Tak Tanaka, Ken Ikeda and Roy Tanaka singled for the other Yamada safeties.

Sab Seki pitching a strong game in relief of Ron Kishimoto picked up his second win of the year, while Tak Tanaka, who went all the way for Yamada absorbed his second straight loss.

Yamada went out in front in the top of the first inning as Kishimoto issued four walks, however Main got that one back in the second as Jeep Seki walked and Dick Tanaka drove him home with a single.

Yamada went out in front again in the third onback-to-back singles by Tani and Tak Tanaka both of whom eventually scored on infiled outs.

Main finally took over the lead in their half of the third as Yamashita, Sakura, Dick Tanaka and Watte all singled to drive in three runs. The east end garage added three more in the bottom of the sixth on Sab Seki's double and singles by Ashizawa and Sakura, plus two Yamada errors, to take a 7-3 lead going into the last frame.

In the top of the 7th Yamada fought back for three runs as they sent nine men to the plate in an effort to pull the game out of the bag. However, after giving up a lead-off double to Tani, and three walks Seki came through in the clutch to strike out Bernie Ikeda for the final out.

* * *

At Ted Reeve, Nikko Gardens jumped on Japan Camera Centre starter Mas Mori for four runs in the top of the first inning, added four more in the second, one in the third and five in the fourth for an easy 14-2 romp over the sagging Cubs.

Nikko batters, led by George Edamura, Ike Shiozaki, Sam Kobayashi and Seiji Nakai each with two hits, banged out a dozen hits to give pitcher Rick Matsumoto a easy route to his third straight win without a loss. Mits Tanaka, Rich Yoshida and Matsumoto got one hit apiece, with Yoshida clouting a bases-loaded triple.

Tom Sumi, Bob Nishikawa, Roy Sumi and George Shimono gathered the four Japan Camera hits.

Nikko sent nine men to the plate in the top of the first inning as the first five men to bat all got on base. Tanaka led off with a single, Edamura singled and Nakamura walked to load the bases, then playing-manager Shiozaki and Kobayashi stroked back to back singles to drive in two runs apiece.

In the second inning Mori struck out the side, but not before he had issued singles to Edamura, Shiozaki, Kobayashi and Nakai for four more runs.

Nikko added one more run in the third off reliever John Tohana, then exploded again in the fourth as they shelled Tohana for five runs on three hits and three free bases. The big blow of the inning was a bases loaded triple by Yoshida into deep left-centre field.

Ray Iijima took over from Tohana in the fifth and held the restauranters hitless over the remainder of the game. Ken Tsuchi finished up for Matsumoto and gave up just one hit over the last two frames.

Japan Camera picked up one run in the third as Nishikawa singled, Roy Sumi doubled and Fred Kotani lifted a fly-ball into right field which Dennis Nakata dropped. They added another run in the fifth when Kotani this time lifted a can-of-corn into left field which Gary Yoshida dropped. Kotani eventually scored on an attempted pick-off of Jim Ebata, who had walked, when Tom Koshida dropped the throw at second.

AROUND THE BASES: This week's games will be four pointers, necessitated by the cancellation of games two weeks ago by rain. Everyone is urged to be on time for these crucial games.

Katsuyama Named Top Athlete at Riverdale C. I.

From The Globe and Mail

TORONTO.—Glen Katsuyama, 19, who has starred on Riverdale Collegiate Institute's senior football and basketball teams, has been chosen as top athlete for his school.

Playing quarterback, Glen was also captain of the football team which he admits did not fare well in the Toronto Secondary School Athletic Association games this year.

Athletic director Frederick Pollard says that Glen's tremendous will to win is perhaps his most outstanding characteristic and the one which decided the award in his favor.

Mr. Pollard adds: "On the football field Glen's excellent running ability enabled him to get into the open where his running and passing made him a dangerous threat to all teams in the league last season."

In basketball the 5-foot-7-inch, 145-pound athlete played guard and provided a worthy contribution to Riverdale CI winning both the TSSAA and Metropolitan Toronto championships.

Glen also turned out this year for the first time, in the TSSAA track and field events and placed fourth in the high jump with a height of 5 feet and 8 inches; in spite of a pulled leg muscle at the time.

In previous years, he has also starred on the school hockey team but as students participate in either hockey or basketball—because the seasons conflict—he chose basketball this year.

In the fall, Glen would like to attend university and thinks that he will take a physical education course.

First Negro Admitted To Quebec Bar

Discrimination Doesn't Bother Him

Quebec's first Negro lawyer gave a wry grin: "Discrimination? Oh I know it's there but it doesn't worry me. Anyway being colored is an advantage—think of the publicity I'm getting."

For the 38-year-old Fred Phillips the last few years have not been easy.

But this weekend he was able to put the worry and struggle behind him when the Quebec Bar Association included his name among the 95 latest applicants to be called to the bar.

"It's been tough," Mr. Phillips admitted. "Sometimes it was so tough that I just wanted to give the whole thing up. Determination? Yes I suppose you could call it that.

"Oh don't think I just wanted to be the first Negro lawyer in the province. Much more than that. I wanted to do something for the whole colored community. I wanted to show people that Negroes can do things for themselves."

He adjusted his pocket handkerchief: "You know too many people believe that the only way for a Negro to get ahead is by help from a white person.

"Perhaps some colored people think that too. Of course it's ridiculous. People must be shown that Negroes can improve themselves on their own ability and initiative."

For the past few years Mr. Phillips has been the solicitor for the Montreal Negro Community Centre.

"What I try to put over to the members is that Negroes must do things for themselves. They're not slaves any longer, for heavens sake. Why shouldn't we help ourselves?

"I did."

In fact along every inch of the way this former delivery boy from Verdun whose parents came to Canada from Barbados in 1912 has chipped out his own steps.

In 1946 he was demobilized from the RCAF after three years service. He decided to "take a gamble" and use his $60 a month rehabilitation allowance to go back to school.

In one year he took grades eight, nine and 10 and his matriculation. Within 18 months of leaving the forces he was at McGill.

"That was in 1947. But it was only the start. I took my BA and my law degree. Then I was articled to a law firm. My main problem has been pretty basic—finances. Really at times I just don't know how I got by. But for the money problem I would have had this thing well wrapped up years ago.

"But at least I did it on my own without any help. That is the point I am trying to make."

Why is Mr. Phillips the first Negro to be called to the bar in Quebec?

He put his arm around his pretty wife Marguerite, who comes from Yarmouth, Nova Scotia. "There is of course the fact that Negroes are economically-speaking among the lower strata of the community. Yet there are Negroes in Quebec with sufficient finances and talent to become lawyers.

"Perhaps it's that nobody likes being first.

"But believe me I intend to encourage my son and as many young Negroes as possible to become lawyers. You see I don't think that it's discrimination that we have to fight so much—you find discrimination everywhere anyway. Communists and capitalists, Jews and Christians—but ourselves.

"We have to prove to ourselves that as Negroes we are not in any way inferior. Being colored is not a disadvantage.

"And I know it is not going to affect my career at all."

From delivery boy to lawyer has been a hard but successful road for Mr. Phillips.

Rev. Shimizu. . .

(Continued from page one)

These are only a couple of examples of the kindness which Rev. Shimizu showed me through the past decades.

I have neglected to express my thanks to him openly, but I trust that Dr. Shimizu knew of my silent appreciation of him. Though it is rather belated, I would like to express my most sincere thanks to him at this moment, for the many acts of kindness and helpfulness which he showed to me in the many years that I knew him. And now I pray from the bottom of my heart that he has found eternal happiness in the Kingdom of God, for which he had devoted his life.
